

SOLAR SHOWERS

formidra

Innovative solar showers conceptor and manufacturer.

Innovation and know-how are the key words that have raised **Formidra** to the rank of **reference brand** in the solar shower market.

Both the experience and the Research & Development efforts have allowed us to create **exclusive ranges** of solar showers, combining **quality, aesthetics and ecology.**

Our **unique manufacturing process** is modernizing the field of solar showers by using the shower itself as a reservoir.

This reservoir is **fully heated by solar heat** to provide hot showers, available in various capacities, **between 23 and 44L.**

Our solar showers combine :

- **Ecology** with natural heating - **100% solar.**
- **Simplicity**, due to the easy installation with a standard connection.
- **Unique** design with elegant and colourful curves.

Our **greatest pride** is to have succeeded in transforming a useful product into a **decorative** item that will idealize your exterior.
