Weight	7.5kg	Fixing kit	Included
Capacity	44 L	Warranty	2 years
Height	229 cm		

The Happy 4x4 solar shower has the largest water reservoir in its range. Its 44 litre reservoir is heated solely by the sun, making it 100% eco-friendly.

Made of high-density polyethylene, its elegant design in 5 different colours and its curved shape blend into any surroundings.

A simple connection to a water inlet is enough to supply this solar shower. Its flanged base ensures the easy installation and stability of the Happy 4x4.
