

WATER TREATMENT EQUIPMENT
PRODUCT: 15L SKIMMERS

For inground and above ground pools

AQUANT skimmers are made of high resistant white ABS with UV included to prevent deterioration and extend its life.

A silent floating flap and a flow regulator plug are included.

You can connect it with a female 1 ½", male 2" or a D.50mm connection to glue. An overflow connection D.40 mm.

Basket secured to base with bayonet fixing. We recommend installing one skimmer for every 25 m2 of water surface area.

Available for concrete and liner pools.

Aesthetics is important so there is the option to choose round or square deck.

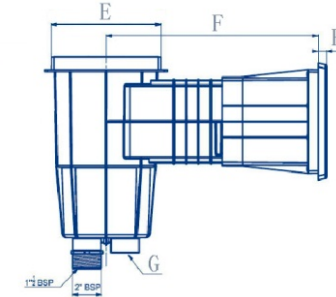

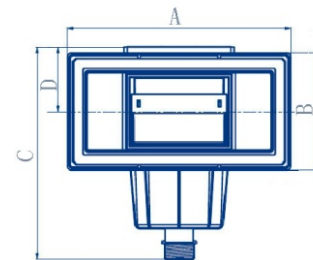

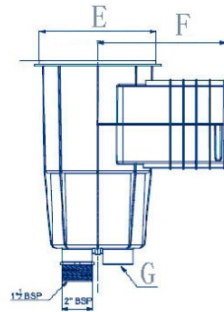

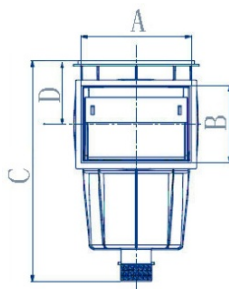

15L skimmer is available with regular or wide mouth.
