

WAVE 50

Robotic Pool Cleaners

maytronics
Exceptional Pool
Experience

DOLPHIN WAVE 50

Recommended for pools up to 15 m in length.
Cleans pool floor, walls and water line.

Maytronics designed the Dolphin to provide you with hours of enjoyment in a clean, pure and hygienic pool.

Using the Dolphin in your pool will:

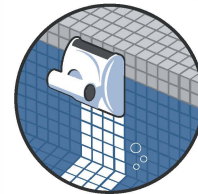

- Save water and energy.
- Help to prevent germination of algae and bacteria.
- Fully independent - plug and play.

Dolphin Wave 50 features and benefits:

- Scrubs, brushes, vacuums and filters the entire pool - floor, walls and waterline.
- Advanced software enables efficient cleaning and maximizes pool coverage.
- Large self contained inner filter bag collects dirt and debris.
- Disperses chemicals evenly in the pool, and reduces the use of chlorine and other chemicals.
- Patented cable swivel prevents cable tangling.
- Low voltage – low energy consumption.
- Automatic shut off at end of cycle time.
- Obstacle escape.
- Motor protection mechanism in case of over load and out of water.
- Suitable for beach entry pools.
- Caddy for handling and storage.
- 24 months warranty on all parts.
