## Ease of Use

Solar Charging + DC Charging

App Support

Auto search for the sun if battery low

Closed Filter Basket with Handle

Slide to open, transparent window

Water Temperature Monitoring

Safe! Protection Cap for Propellers

# Aiper Surfer S1

## Key Features

### Efficient Cleaning

The Aiper Surfer S1 utilizes a brushless motor and paddle-wheel designed so your skimmer efficiently cleans more of your pool in less time as its hunt to clean dirt and debris.

### Solar Charging

Eco-friendly, worry-free, hassle-free cleaning. Simply place the device in your pool, and let nature take charge.

### Superior Battery

Fully charged, the solar battery of the Aiper Surfer S1 provides up to 12 hours of surface cleaning for your pool.

### Ultrasonic Detection

With the help of ultrasonic detectors, Surfer S1 recognize and avoid your pools walls while aiding navigation. Increasing the cleaning coverage of your skimmer while safely providing an edge-to-edge clean for your entire pool.

### App Support

Monitor the performance of your device, check battery levels, water temperature, and cleaning statistics, receive alerts, and even pilot your device manually - all in the Aiper App.

### Two Cleaning Modes

With the Aiper Surfer S1 cleaning happens your way. In addition to automatic cleaning, you can manually control your device through the Aiper App, allowing you to target troublesome spots in your pool and hunt down illusive debris.

### Recommended Pool

Great for any pool size. The Aiper Surfer S1 excels in standard, saltwater pools.
