Pilot H2/V2

Key Features

Powerful Performance - A powerful motor and streamlined internal structure enhance water flow, suction, and cleaning capabilities, collecting all debris with ease. Great for above-ground pools, pool stairs, inflatable pools, and those troublesome corners of pools, the Pilot H2/V2 is your most versatile pool cleaning solution.

Dual Vacuum Heads - With a straight-line vacuum head and a brush-tipped vacuum head, the Pilot H2/V2 can clean more surfaces and areas of your pool than before.

Convenient and Quiet Usage Experience - Experience the ultimate in convenience with the Aiper Handheld Pool H2/V2, weighing in at just 97 lbs/4.4 kg. Its sleek, cordless design not only liberates you from the nuisance of tangled cords but also empowers you to reach every nook of your pool with ease. Furthermore, its ultra-quiet operation, at less than 50dB, guarantees a serene and undisturbed cleaning experience.

One-Click Activation with 2 Cleaning Modes - No cleaning job is the same, with a single button to switch the device on/off and change modes, the Pilot H2/V2 comes with two cleaning modes. Standard Mode: 80LPM/21GPM, or for the tougher cleaning challenges, Power Mode: 110 LPM/29GPM with enhanced suction, filtration, and cleaning power. All making the Pilot H2/V2 a great sidekick to any Aiper Cordless Robotic Pool Cleaner.

Other Features

Improved Battery Life - We made charging and storing as convenient as using it! With the included charging dock, users can simply place their device on the charger and in two hours, experience the full cleaning capabilities of the Pilot H2/V2 for a full 70 minutes.

LED Indicator - The Aiper Pilot H2/V2 communicates the unit's status via a 4-color LED indicator, so you're always on top of your cleaning game.

Upgraded Charging Dock - The beautifully designed charging dock makes charging and storing your Aiper Pilot H2/V2 easy while keeping your space tidy.

Compatible with Standard Pool Poles - Attach Aiper Pilot H2/V2 to a standard pool pole for extended reach, cleaning more without getting wet.
