CEFIL POOL

COLLECTIONS

For the 2025 season, we bring the **VICTORIA Collection** to the market, proposing 5 minimalistic, harmonic, realistic, integrable and according to interior design trends. Bianco, Perla, Grigio, Ocra and Aurum, are the proposals we bring to dress the pools with the probably one of the most elegant collections in the PVC reinforced membrane market, complementing our successful and well-known **KERAMIK Collection.**

CEFIL POOL, is the specialized producer of TILE design PVC reinforced membrane. Being one of the only producers with 3 different tile distribution and sizes, and 11 different designs to propose to the market.

Besides, **KERAMIK Collection,** which has been warm welcomed by the market, offers a bright, integrable and attractive shiny water tones, creating a vibrant atmosphere, keeping the realism that **VICTORIA Collection** also apports, but using the colour contrasts as the most characteristic elements of this design.

In addition, we keep our **NATURE Collection** that brings the stone simulation linings, and we complete this range with **ONYX Collection,** which apports a concrete look-a-like design, being both continues printing and easier installing solutions.

All these designs are 3D and antislip certified, according to the European standards requirements.

On the other hand, we have available to the traditional unicolors included in the **PASSION Collection** (3D) and **CLASSIC Collection,** covering the demand with one of the widest ranges in the swimming pool reinforced membrane market.

We are specialized in TILE Design reinforced membranes
